

# Can you donate an old laptop to help a disadvantaged child?

Level Up Redhill Reigate Banstead is a project that provides refurbished laptops to disadvantaged children to enable them to study at home. Can you or your employer help by donating your unused laptops?

15 local schools and colleges have identified over 540 children struggling to study without the use of a laptop. Some are doing homework on their phone. Others have no device at all.

Minimum requirements for donated laptops:

- In working order
- Windows 7, 8 or 10
- No XP or Vista laptops please

**All laptops will be securely wiped and refurbished before distribution.**

Supported by Pfizer Limited, Fidelity UK and Raven Housing Trust

In partnership with Cllr Martin Saunders of Horley Town Council who runs Level Up Horley.

Drop off points  
(after 2 December):

The Harlequin Theatre, Redhill  
Woodhatch Centre, Reigate
