

Volunteering Opportunities by Subject

We have volunteer opportunities in the following areas:

- Animal Care
- Arts – including film, photography & performance
- English, Communications & Marketing
- Environment & Geography
- Events & Fundraising
- Health, Medicine & Social Care
- History
- IT & Office administration
- Psychology (see also Health, Medicine & Social Care)
- Retail & Catering (Customer Service)
- Sport
- Social Action & Leadership

(The page number refers to the page number in the opportunities booklet).

Remember to also think about the soft skills and experience that different opportunities offer. These are important to universities and employers and are transferable to a wide range of careers. E.g. Teamwork, communication skills, problem solving, leadership, reliability, project management, empathy, innovation and responsibility.
